MEMOIRS

1957

We, the students of U. S. Grant High School dedicate this book to FRIENDSHIP, for we realize that although graduation separates friends, it does not terminate friendship.

"The most powerful and the most lasting friendships are usually those of the early season of our lives, when we are most susceptible of warm and affectionate impressions." FITZOSBORNE...

Published by the Student Body of U.S. Grant High School, Portland, Oregon, 1957

Colton Meek

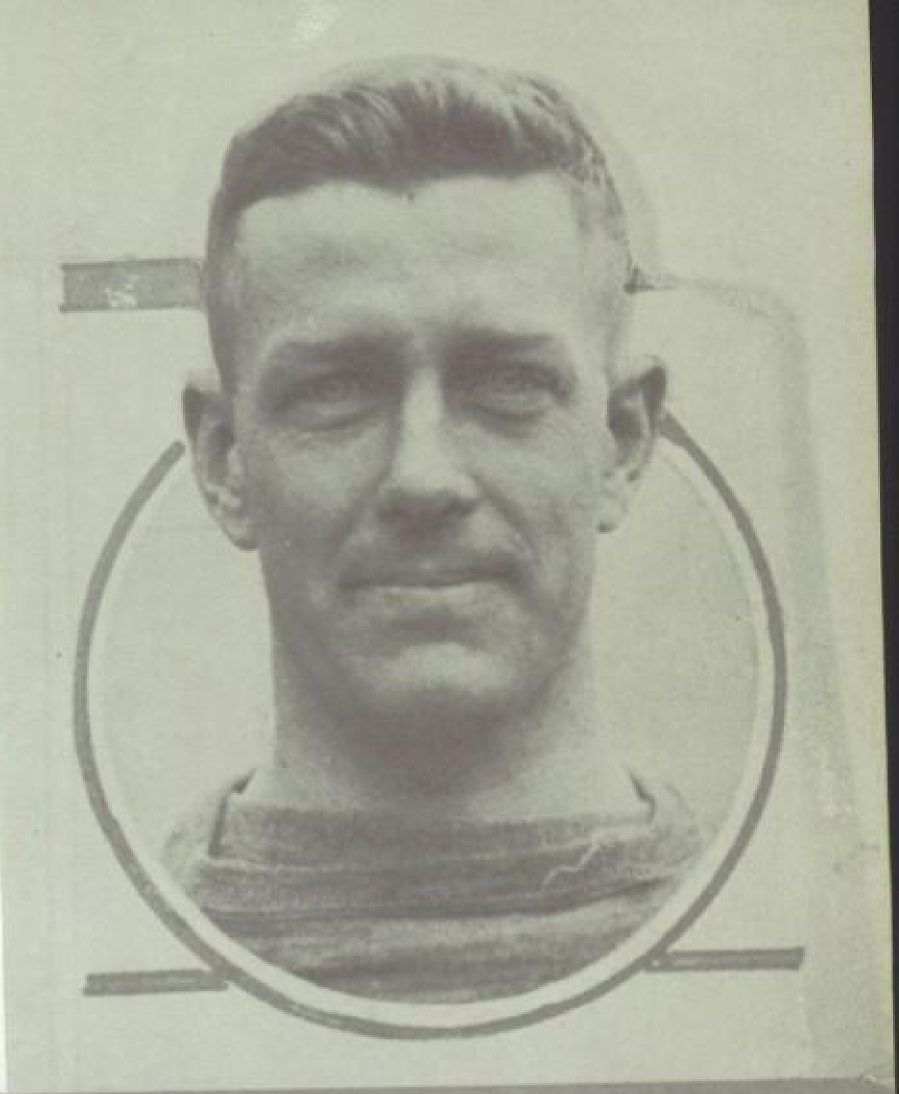

This is your life...

Mr. Meek in his youth.

Mr. Meek as a coach at Franklin, a man of many costumes.

Teaching days at Franklin.

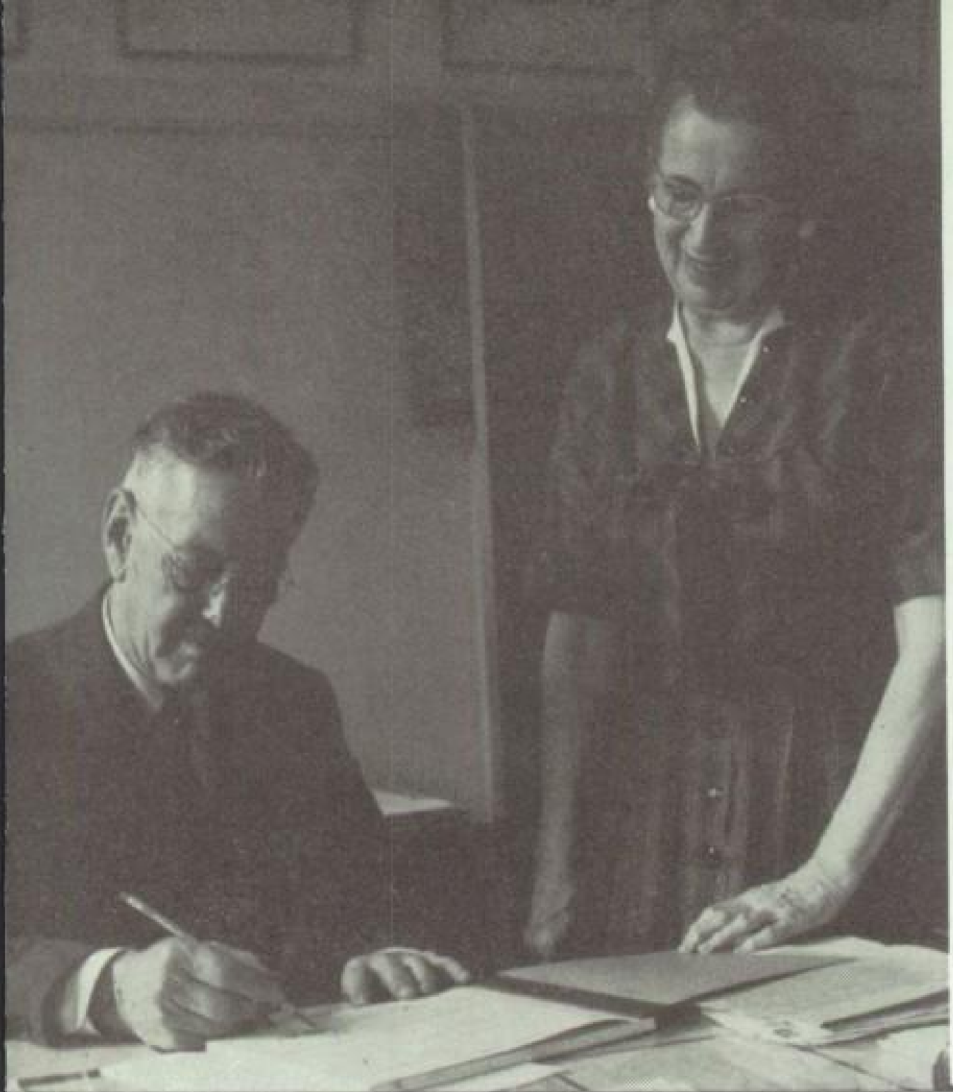

The outdoor type.

Mr. Meek's younger days.

As new principal of Grant.

The brains behind Grant.

Looking forward to relaxation.

Colton Meek was born in Portland, Oregon on October 10, 1891. His parents, John Smith and Cornelia Colton (Watkins) were members of an old Oregon family. His granduncle was Govenor Gibbs of Oregon, and his grandfather was a doctor during the Indian wars. Mr. Meek received his education in Portland, attending Washington High School. He went on to the University of Oregon and received his degree in 1914. Rose Sieler became his wife in April 17, 1915. They have two children, Doctor Edward Colton Meek and Betty Meek Daniels.

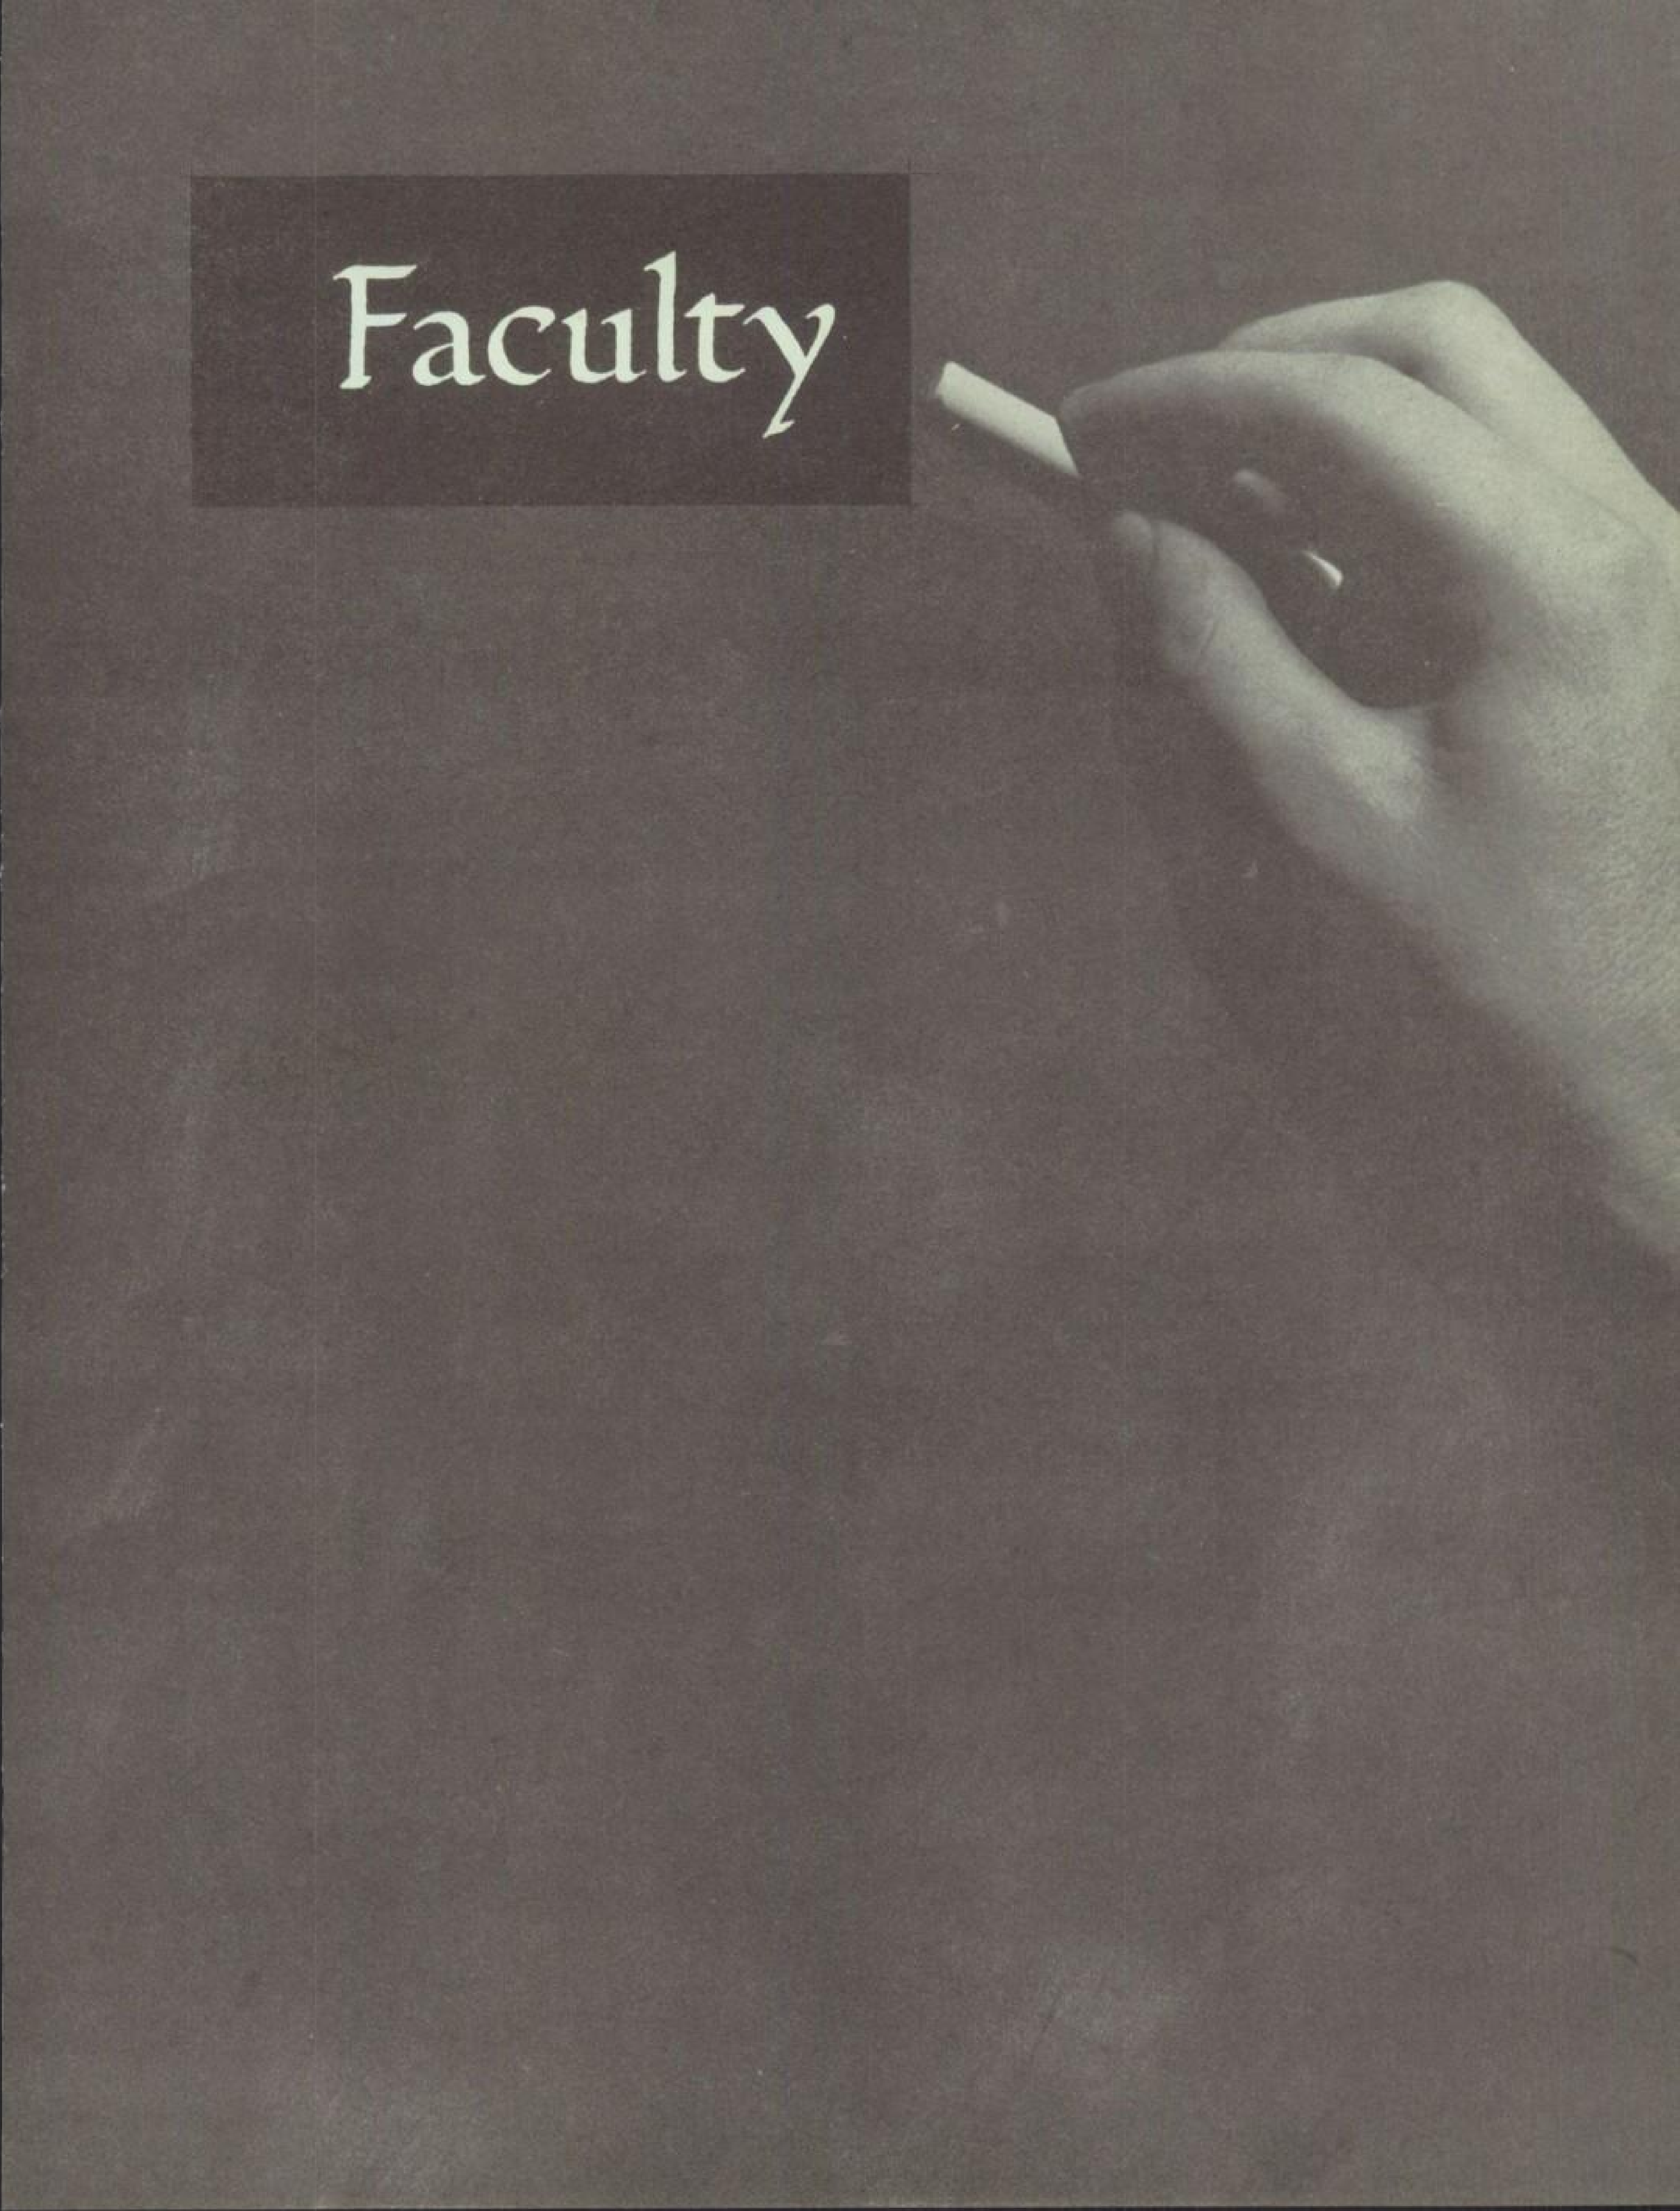

Mr. Meek started his teaching career at Milwaukee High School in 1915, teaching mathematics and science. In 1916, he moved on to Franklin High where he served as a teacher and coached baseball, track, and football teams. He was promoted to vice-principal in 1927 and held this position for eleven years. Following this, in 1938, Mr. Meek went to Roosevelt where he served as principal until 1943. It was in 1943 that Mr. Meek became principal of Grant High School.

Mr. Meek is active in fraternal and educational associations. He served as President of Reed College Parents Association in 1938. He was also a trustee of Lewis and Clark College. The Masons, the Lions Organization, Phi Gamma Delta and Phi Delta Kappa are his fraternal connections. He is a member of the Northwest Association of Secondary and High Education, past vice-president of the Oregon High School Activites Association and a member of Oregon State Teachers Association.

For the past fourteen years, Mr. Meek has devoted most of his time and energy to his job at Grant. The students, the faculty and all their activites require a great deal of attention. Mr. Meek presides at Commencement, attends faculty meetings, and takes care of the problems and honors of the student body. For these and for all of the other services Mr. Meek has performed for Grant High School, the Memoirs Staff, speaking for the student body, would like to express its deep appreciation.

Faculty

Vice Principals

As Vice Principal in charge of curriculum, Mr. Kleiner's primary duties involve the organization, administration, and supervision of the teacher and instructional programs of the school. His year begins with an induction period for teachers at which time he familiarizes the new faculty members with the objectives and methods of Grant's educational system. Mr. Kleiner's many school year activities include planning the curricular meetings of Grant, selecting text books, interpreting the counsellor's duties, and organizing the safety councils. Each student owes his thanks to Mr. Kleiner, who, by successfully fulfilling his obligations, contributes effectively to the outstanding effiency and effectiveness of Grant's scholastic program.

Seldom do students realize the extent of Mrs. Schroeder's duties other than those specifically related to her title, Vice Principal in charge of girls. Although such duties as regulating girls' conduct and helping the Girls' League are of primary concern, the school calendar is also a major interest. The scheduling of activities of the school government, P.T.A., clubs, rally squad, assemblies, dances, and Rose Festival is her responsibility. Mrs. Schroeder starts the year by assigning lockers and auditorium seats, enrolling new students, and balancing reg. rooms. The year ends with the planning of Baccalaureate and the Journal Dinner for the seniors. The student body owes a vote of thanks to Mrs. Schroeder for the wonderful job which she does throughout the year as Girls' Vice Principal.

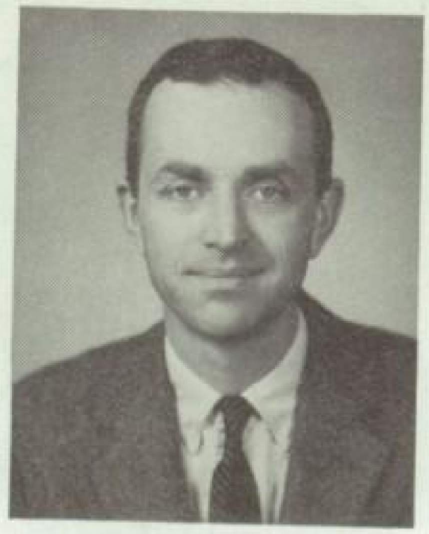

The duties of Mr. Westcott, Vice Principal in charge of boys, cover a wide scope of activities. He begins the school year by enrolling the freshmen and balancing the study halls. Throughout the year he is busily engaged in conducting the student activity program and handling the finances of the school. Perhaps one of the main duties of this Vice Principal can be found in his work with the boys of Grant, for he supervises their behavior and conduct. In addition to this variety of duties, Mr. Westcott is closely affiliated with the Service Squad and Dad's Club of Grant. He concludes the term by handling the announcements, cap and gown purchases, and graduation tickets for the senior class. Truly Mr. Westcott is a vital asset to the successful operation of Grant, and the student body salutes him for a job well done.

In Memoriam

Steve Ellis

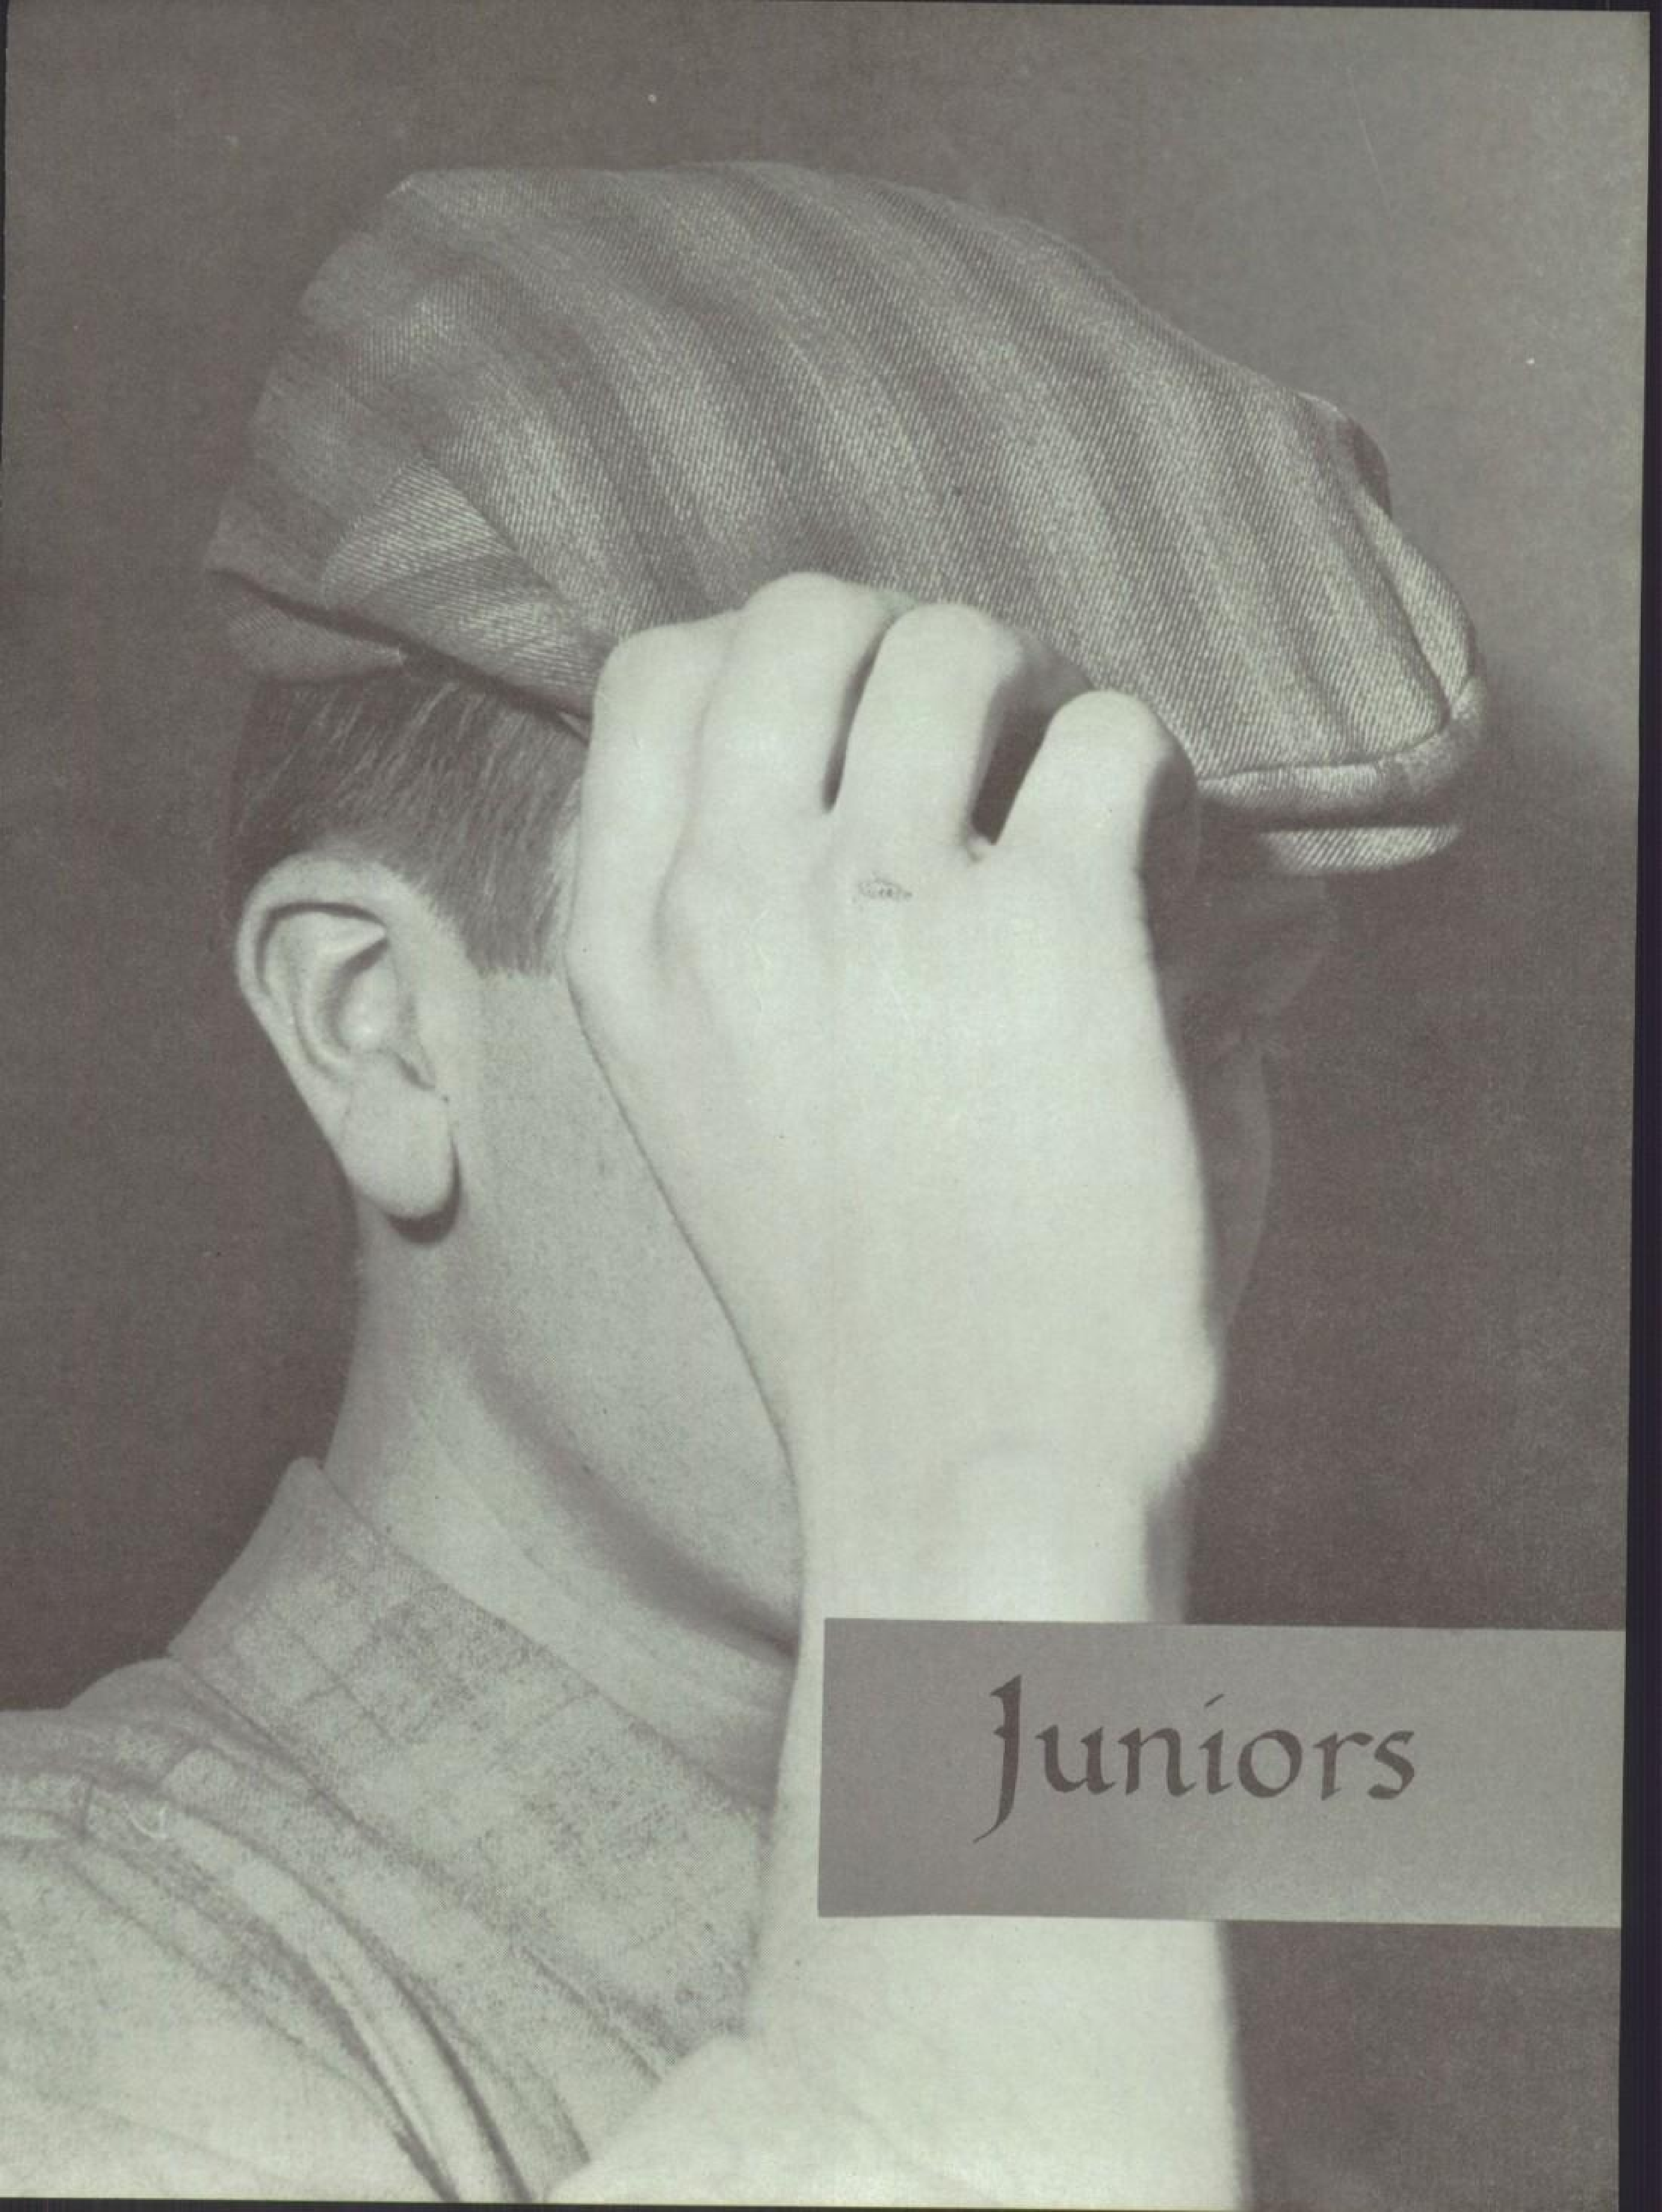

1957
senior class song

as we leave the halls we cherish,
brave and steadfast true;
we treasure friendships we have made..
while loyal to gray and blue.

thus victorious march we onward
swift the years fly by
mighty class of fifty-seven
sings praise to thee Grant High.

challenging the bright tommorow
as we go our way.:;
trusting sons of Grant High ever
in our hearts you'll stay.

toward the future's golden promise
heads and hearts held high;
onward! class of fifty-seven...
farewell to thee Grant High.

Top Boys' League Officers

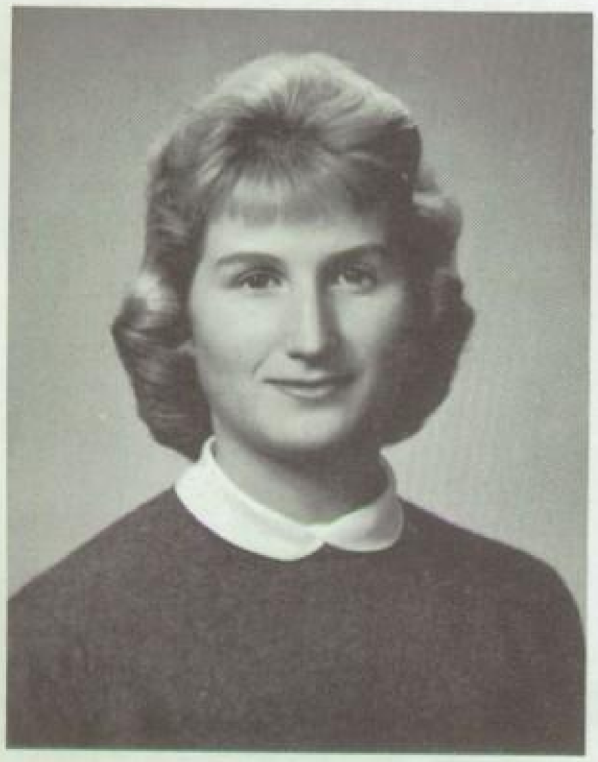

At the Boys' League Assembly this Spring, the Deep River Boys provided the outstanding entertainment. They were well received by the male population of Grant.

Their variety of songs included everything from ballads, to rock and roll, to calypso. The "Deeps" were shown appreciation by a standing ovation for giving so freely of their time to perform in the assembly.

P.T.A.

Mrs. Graap, President

The Grant High P. T. A. made its contribution to school and community by providing parent-education programs, student material aid when necessary, tuition scholarships, help with community projects such as polio inoculations and eye examinations.

A cooperative survey of Interest Clubs was engaged with a beginning mechanism for providing leadership for such groups established. The whole field of providing good adult leadership for club groups is a continuing concern to the Association and one in which cooperation with the Social Director will be maintained.

Programs of interest have been provided with the help of the Grant faculty, student panels and outside educators. The Association wants to express its particular appreciation to the staff and faculty for making the year a productive one.

P. T. A. Board

Mr. Retter, President

The Grant High Dad's Club is primarily concerned with contributing financially to the Student Body. Their money is mainly directed toward scholarships which is their major program. To raise money for this purpose, they staged the annual Dad's Club Show. The Membership Drive and the annual joint meeting with the P. T. A. stirred up a great deal of interest in the organization and its functions. The cooperation of both parents and faculty has added greatly to the fulfillment of the aims of the Dad's Club!

Drama

Mr. Jackson

Miss Smith

The Junior and Senior Dramateurs devote most of their efforst outside of class contributing to the dramatic cultural life of our school. Four major productions were presented this year: Bernadine, My Three Angels, Annie Get Your Gun, and The Young and Fair. Besides four or five assemblies, the first and second groups participated in the Christmas Show, the Dance Band Revue, the Dads Club Variety Show, and the Spring Show Operetta. Field trips were taken to the Northwest Drama Conference in Eugene, the One Act Play Festival at Jefferson the local television stations, and the Civic Theatre. The Dramateurs also sponsor the Calendar Date Book as a school service project.

Mr. Jackson ponders a fine point of setting in My Three Angels.

Class Assemblies

The class assemblies this year, which were of an unusual and interesting variety, were received enthusiastically by the students.

Running the gamut from the Senior Class Assembly, "The Princess Who Wouldn't Smile," to "Backstage," given by the Sophomores, to the Freshman "U. S. O. Show," the class assembly calendar ended with "Toyland" presented by the Juniors.

Public Speaking

Mrs. Opal Hamilton

1957 has been a busy year for the Speech Department. In addition to doing our regular work, we try to be of service to our school and community. We speak in assemblies, present panels, give radio programs, and T.V. Shows. We also enter all contests in the city and the state.

We are usually very successful at Pacific, Linfield, Portland State, Lewis & Clark, and the University of Oregon. Although Willamette meet has been discontinued, Grant won the sweepstakes there the last three years.

As our book goes to press, the

That diamond sparkle

Night draws near and look who's still here

Concentration

Mr. Stones--it's MEMOIRS time, not English

Oh ! Our deadline is four o'clock

Beautiful dreamer

Finished at last

Pat at her post

Bookkeeping a la Betty

a sigh of relief and sinks

57 Memoirs staff breathes

The last week and they can still smile

One page done and 15 more to go

Only 999 names left to index

Four o'clock tea break

It tastes good, like ground glass should

It would only happen to me

Our deadline is three weeks away

Oh dear! It won't fit. Now what?
